

Criminal Background and TB Test Reimbursement

A criminal background check and a two-step TB test are required by the State of NH. 360 SHS expects the applicant to pay for these two requirements. However, once you have reached your Sweet Spot Bonus (50-80 hours bi-weekly), you will be reimbursed for both your criminal background and TB testing. This will need to be completed within 30 days of hire. Depending on your availability, this can be reached quite easily.
